### About Homestay

Homestay is a great way to learn about local culture and improve English conversation skills in a safe, clean, comfortable and protected environment. The carefully selected host families are outgoing and friendly people who enjoy learning about other cultures and appreciate the unique opportunity hosting gives to their family life. Host families help students to adjust to Canadian society, and they will often invite students to participate in cultural activities and family trips.

Canada is a land of multicultural diversity and this is reflected in the homestay experience. Every household has different customs and routines. Even the food may be very different from what students are accustomed to and the manner of eating will probably be as well.

There is no typical host family. Host families come from many different walks of life and generations. Retirees, young couples, and single parents are all able to give an international student a good home. Daily life in the host family will be very different from life in the student's own culture, however, this is the challenge of the homestay experience.

### **Homestay Guidelines**

#### **General Rules about Homestay Family Requirements and Homestay Environment:**

1. The Homestay Family will provide their student with the following basic amenities: a private room, a bed, a desk with study lamp, a house key and sufficient storage space for the student's clothes and luggage. Bathroom will be shared with the family, and the student may have access to the house telephone for local calls.
2. The Homestay Family will provide their student with the meal plan requested on the initial application. Students' sheets and towels should be changed on a weekly basis.
3. The Homestay Family will inform their student of the current house rules and regulations upon arrival. House rules may include matters such as smoking policy, house guests, etc.
4. The Homestay Family will ensure that English is always spoken in the presence of the student.
5. The Homestay Family will notify the school of any unusual behaviour on the student's part.
6. The Homestay Family will provide appropriate supervision for the student and will inform the student of any plans to be absent from the home during the homestay period.
7. The Homestay Family will provide information to the student, to help him/her to adjust to life in Canada, how to use the phone, local transportation etc.

#### **General Rules about Homestay Student Requirements:**

1. The Homestay Student is required to keep his/her room neat and tidy, and inform the Homestay Family if he/she is late for meals, or is absent overnight or at weekends.
2. The Homestay Student must arrange for his/her own transportation from the house to school.
3. The Homestay Student is required to be aware of, and abide by, the rules and regulations of the Homestay Family.
4. The Homestay Student accompanying the Homestay Family on activities is expected to pay for travel and personal expenses and the Homestay Family to pay for food and accommodation.
5. The Homestay Student is responsible for his/her own laundry and toiletries (soap, toothpaste, shampoo, etc.)
6. Long distance calls cannot be made from the host family's personal phone without permission. Any such calls should be made with a long-distance calling card purchased by the Student.
7. The Homestay Student must abide by the laws of Canada, and be covered by a medical insurance policy.

### About Private Home Residence

Private Home Residence Accommodation is ideal for independent students. The service includes a single room, and a change of sheets and towels once a week. Students share kitchen and bathroom facilities and a lounge area. We do not guarantee the sex or the nationality of fellow students sharing this form of accommodation. Nor can we guarantee the number of students sharing this accommodation at any given time.

### Refund Policy

The registration fee is non-refundable. Cancellations should be submitted in writing to LaSalle College at least two weeks prior to cancellation date. There will be no refund for the first month or the current month of Homestay or Private Home Residence. Students will receive a 75% refund for any months remaining.

Upon admission each Student will receive the LaSalle College Student Handbook which states LaSalle College's policies on admission, rules of conduct, dispute resolutions and dismissals.
